Heaven on Earth

A detailed architectural rendering of the entrance to Park View City. The scene features a modern, multi-level concrete structure with a long, cantilevered roof supported by dark pillars. The name 'Park View City' is prominently displayed in large white letters on a dark stone-clad section of the building. In the foreground, a white sedan is parked on a paved road. To the right, a small guardhouse with a sign that reads 'PARK VIEW CITY ISLAMABAD' stands near a red and white striped barrier. A blue car is visible behind the barrier. The background is filled with lush green trees and distant mountains under a clear blue sky.
