

Bin Alam City

Bin Alam City
your preferred developers

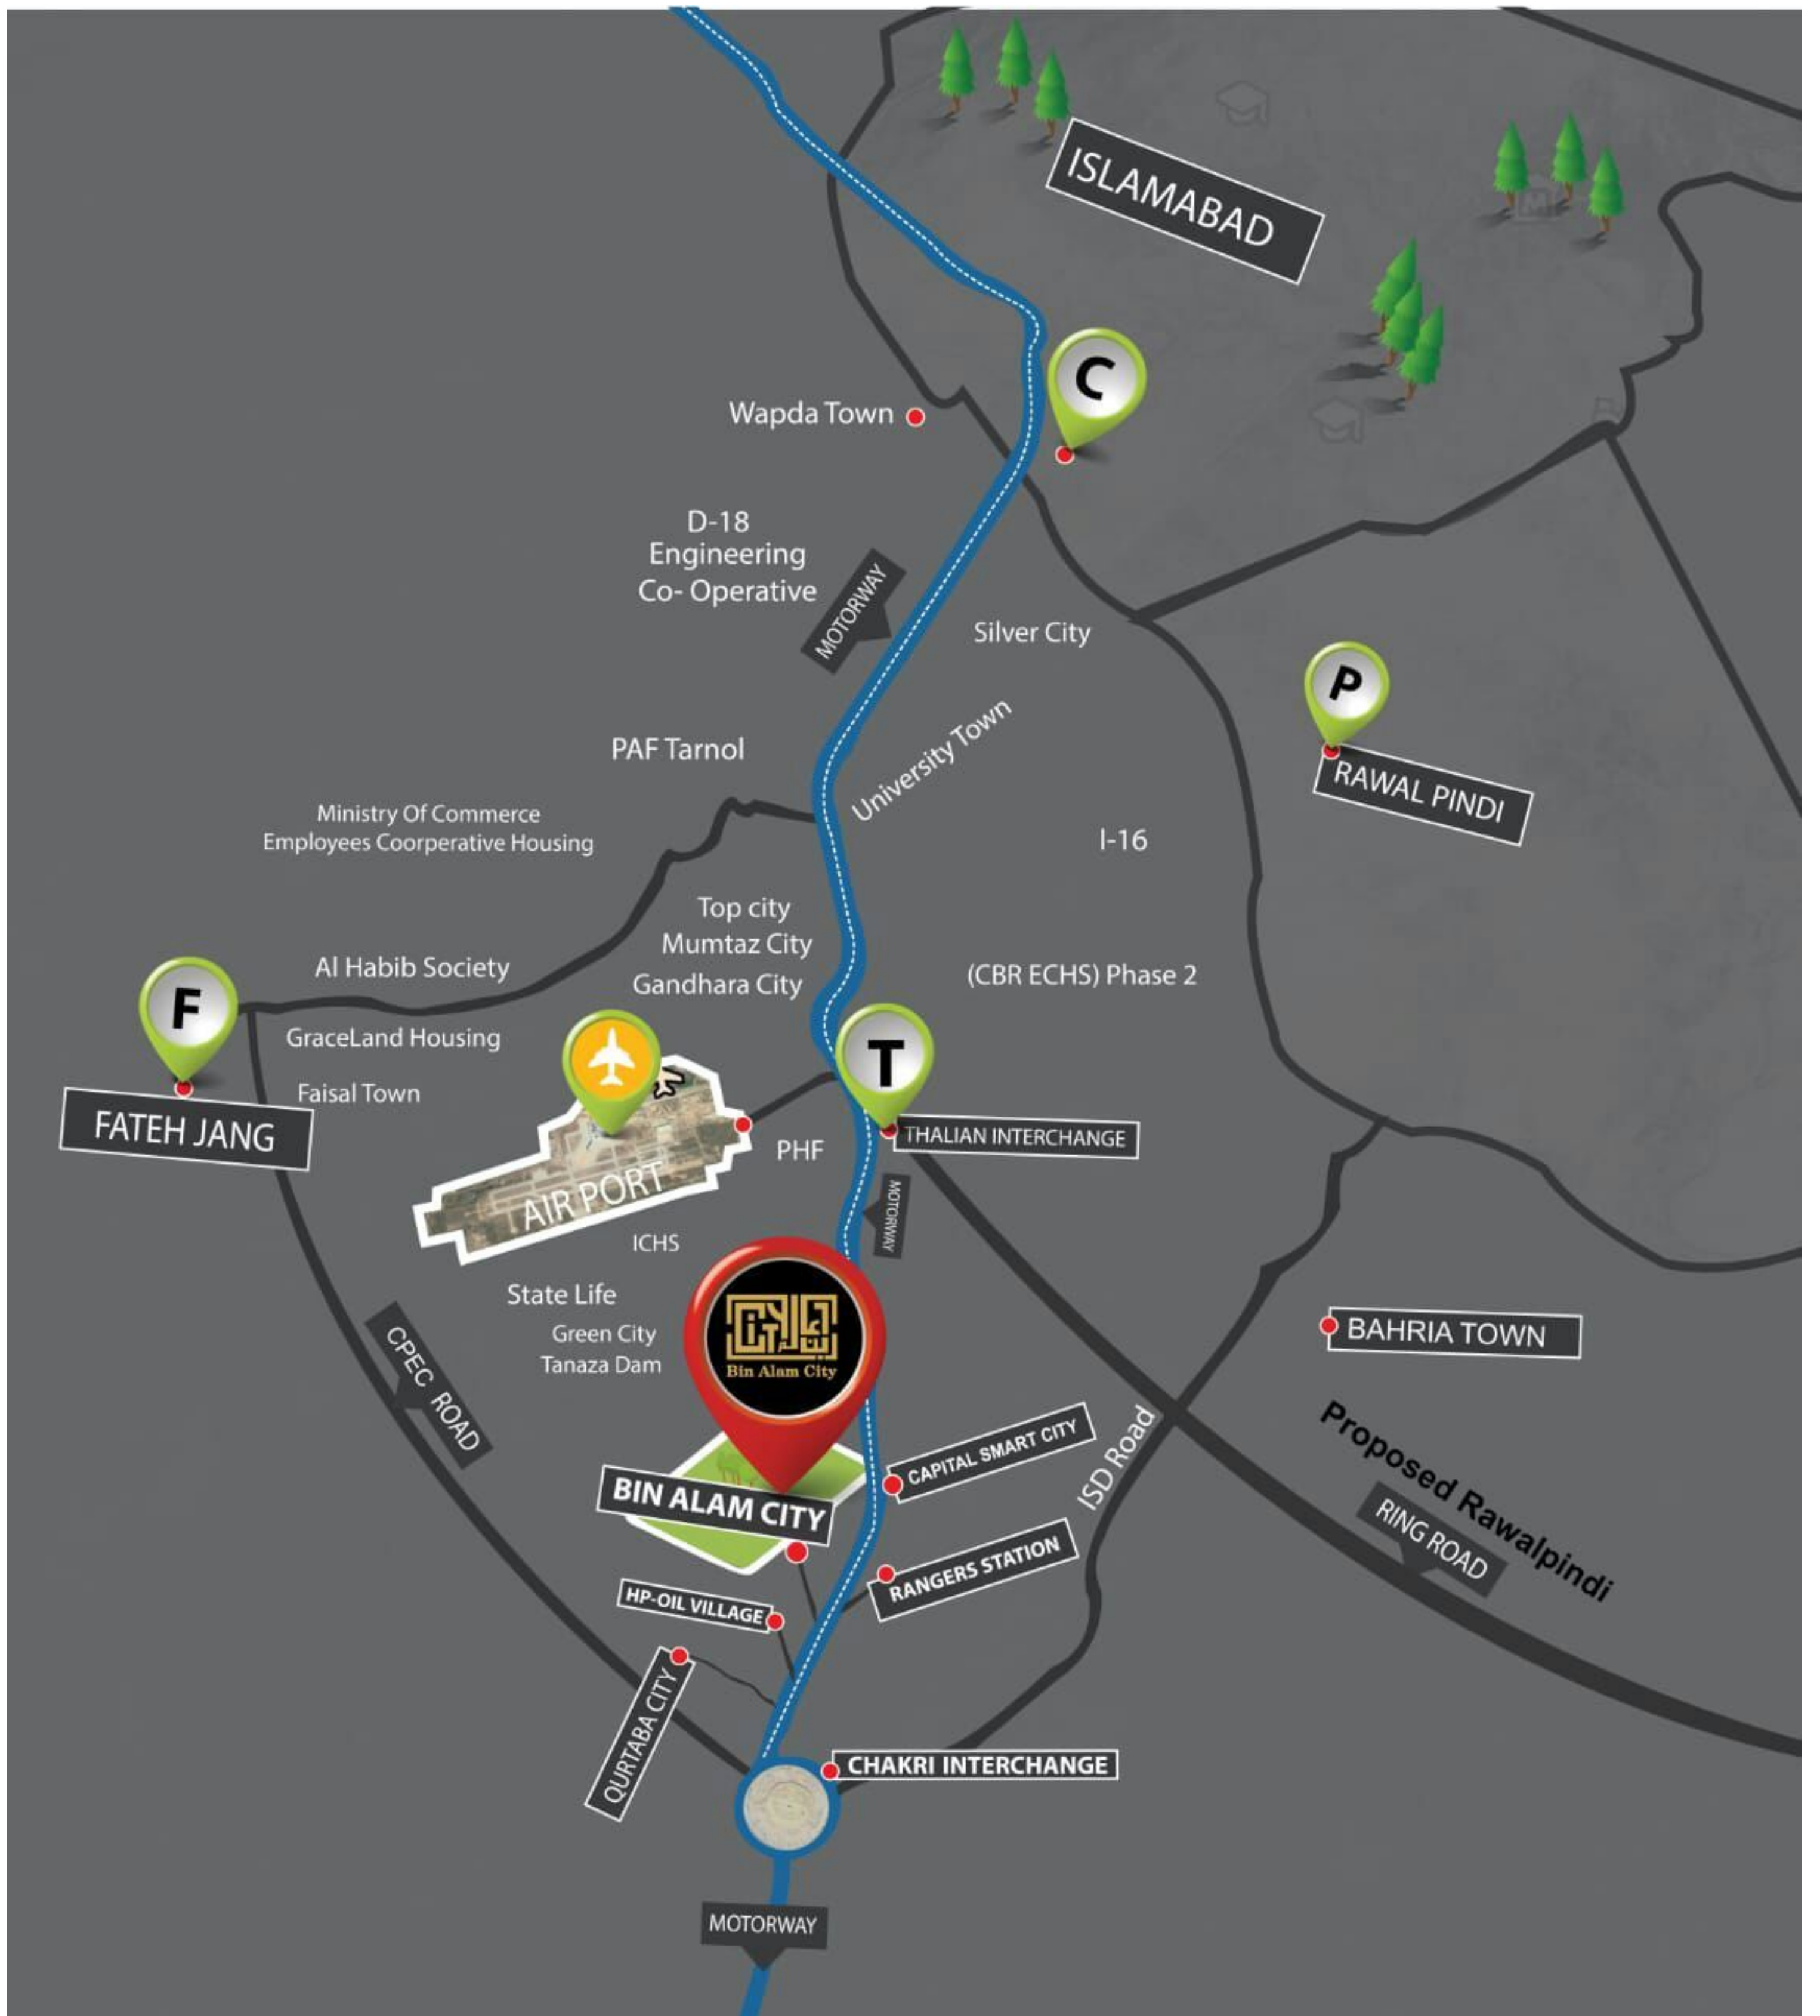

A golden silhouette of a city skyline with various building shapes of different heights, spanning the width of the bottom of the image.

Current Project

Bin Alam City

Bin Alam City meets all the prerequisites of a modern housing society and beyond that to offer you additional facilities. It has been planned to ensure that everyday life goes by smoothly and pleasantly with 24 hours security. The company is currently engaged in development of Bin Alam City's mega project.

Atomium Square introduces a new generation of roundabouts and intersection points in Pakistan. The entire structure is a profound and marvelous piece of architecture, entirely made out of steel that shall add an immense weight to the beauty of Bin Alam City.

Atomium Square

The infrastructure of Bin Alam City goes beyond the mainstream standards with the inclusion of a marvelous theme park and Roman styled commercial center. The Grand Galleria Commercial Centre spans to 20,880 sq. ft. and is home to property offices, food court, grocery stores and other vendors that feed all your shopping needs.

Grand Galleria Commercial Center

Marvels of Infrastructure

The iconic infrastructure comprises of the largest residential society entrance in Lahore. The architecture of the gate is a miniature model of the London Bridge and the plan has been constituted under the supervision and expertise of our own highly experienced Architectural & Engineering Departments.

Fateh Muhammad Grand Mosque

The architectural marvels of Bin Alam City also comprise of the Fateh Muhammad Grand Mosque which has a capacity to accommodate 2000 people inside the building while another 2000 can easily be accommodated within the external spread of the mosque. The Fateh Muhammad Grand Mosque has a covered area of 17,724 square feet.
