# *The Land of Greens*

In the land of green, where mountains arise, where the sun shine bright as the winds prise. Where the monuments of spirituality lay vast and bowed, to the one and only on whose land we abide.

Al Ghani Group: We are one of the giants that encompass a vast arsenal of past projects in the locale of Islamabad and Rawalpindi. The main mission of Al Ghani Group is to offer predominant services and opportunities for the real state sector by creating imaginative arrangements that assist the customer, developers and retail property administrators. We take pride in giving our customers brilliant business and housing options and our speculator companions with an unrivaled rate of return related with the rising costs of prime real-estate. All our finished tasks convey a novel mix of tastefulness, style and solace and we will attempt to proceed with our pattern of elegance on every single future venture.

Gulberg Heights, Al Ghani Group's biggest project lays comfortable on the plains of Gulberg Green, Islamabad. Surrounding itself amongst the greatest architectural and infrastructural monuments of our country, like Zero Point, Islamabad Expressway and Islamabad Monument. The location of Gulberg Heights is revered as it is strategically placed to provide its residents and visitors a complete ease of access of movement around the city and its plains. In the midst of an upmarket area Gulberg Heights rejoices in the vicinity of the best educational institutions, shopping centers, healthcare facilities, sumptuous restaurants and entertainment spots in town.
